IN RE:)

Carolina Power & Light Company, d/b/a)	PROGRESS ENERGY CAROLINAS,
Progress Energy Carolinas, Inc. Integrated)	INC.'S PETITION FOR CHANGE IN
Resource Plans From 2006 - Present)	ANNUAL FILING DEADLINE AND
)	EXTENSION OF TIME TO FILE
)	RESOURCE PLAN

Pursuant to the Public Service Commission of South Carolina ("the Commission") Rule 103-825, Carolina Power & Light Company, d/b/a Progress Energy Carolinas, Inc. ("PEC"), petitions the Commission for an extension of time until September 1, 2008 to file its 2008 Resource Plan and to also change the annual filing deadline to September 1. In support thereof, PEC shows the following:

1. PEC is an electric utility, generating, transmitting, distributing, and selling electric power in the state of South Carolina, subject to the jurisdiction of this Commission. PEC is a North Carolina Corporation, domesticated to conduct and conducting business within the state of South Carolina.

2. The attorney authorized to receive communications and pleadings relevant to this Petition is:

General Counsel, Progress Energy Carolinas, Inc.
P. O. Box 1551
410 South Wilmington Street
Raleigh, North Carolina 27602
Telephone: (919) 546-6367

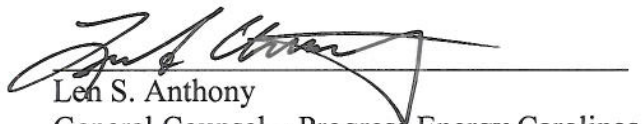

3. Pursuant to Order No. 93-845, issued by the Commission in Docket No. 87-223-E on September 10, 1993, PEC is required to file its annual Resource Plan by June 30 each year.

4. The timing of the availability of the necessary data and the time required to develop a comprehensive resource plan make it difficult for PEC to submit a resource plan on June 30 of each year that represents PEC's most current forecasts and plans. Basically, the necessary data is not available in time for PEC to incorporate into the Resource Plan and meet a filing deadline of June 30 each year. The volatility of critical inputs to the Plan makes the use of current data and assumptions critical to the veracity of the Plan.

5. In order to provide the Commission with the best information available, PEC requests the Commission revise the filing deadline for PEC's annual Resource Plan to September 1 each year, effective immediately. This change will align the Resource Plan filing with PEC's planning process.

WHEREFORE, PEC requests an extension of time to September 1, 2008 to complete and file its 2008 Resource Plan with the Commission. Further, PEC also requests that the Commission change the annual filing deadline for PEC's subsequent Resource Plans to September 1 of each year.
